*It's a Great Life*

# to be a part of *Northwestern*

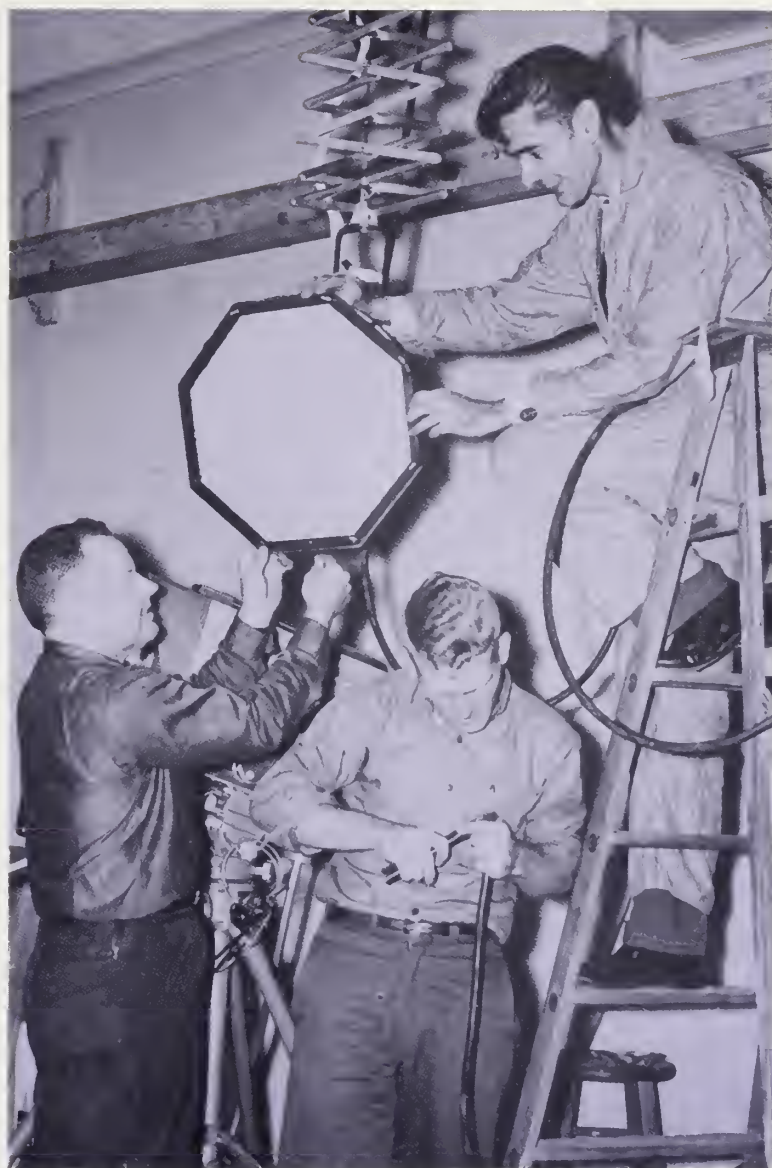

Northwestern State College! Not the largest school, nor the most expensive. But for friendship and downright congeniality, you can't beat it. In the following pages of this book, you can see what we're talking about by going through a typical day at NSC. Yes, it truly is "a great life"!

No one can describe a day at Northwestern, for the Day is forever changing throughout the year. It goes around the clock, never actually coming to a close.

*in its never-ending Day:*

# *the mad*

Whether classes begin at eight or eleven o'clock,  
there is an inevitable "mad rush" to begin the Day.  
Some students must be taught, and others  
must teach to learn.

*rush to Classes,*

*the mid-*

The Day would not be right without a stop  
in at the Fieldhouse for coffee and  
conversation. This is also the time to check  
for mail, scan quickly over a letter,  
or chat with a friend.

# *morning Break,*

Mealtime is the one time of the Day when the students get together—on both sides of the dining hall counter. Of course, not *all* meals come from the dining hall!

*the pause  
at Noon,*

# *afternoon rest*

# and Leisure,

Although classes must continue, and the wheel of activities must keep turning, afternoon at NSC seems always to be the time of the Day to slow things down. This, however, may mean anything from a short nap to engaging in some intramural sport.

## *and an*

Participation is well-known at Northwestern, whether it be in sports, politics, special events, or just simply get-togethers. "Participation" includes the faculty members as well as the students—a rare bond in today's colleges.

*evening of Participation,*

*followed by*

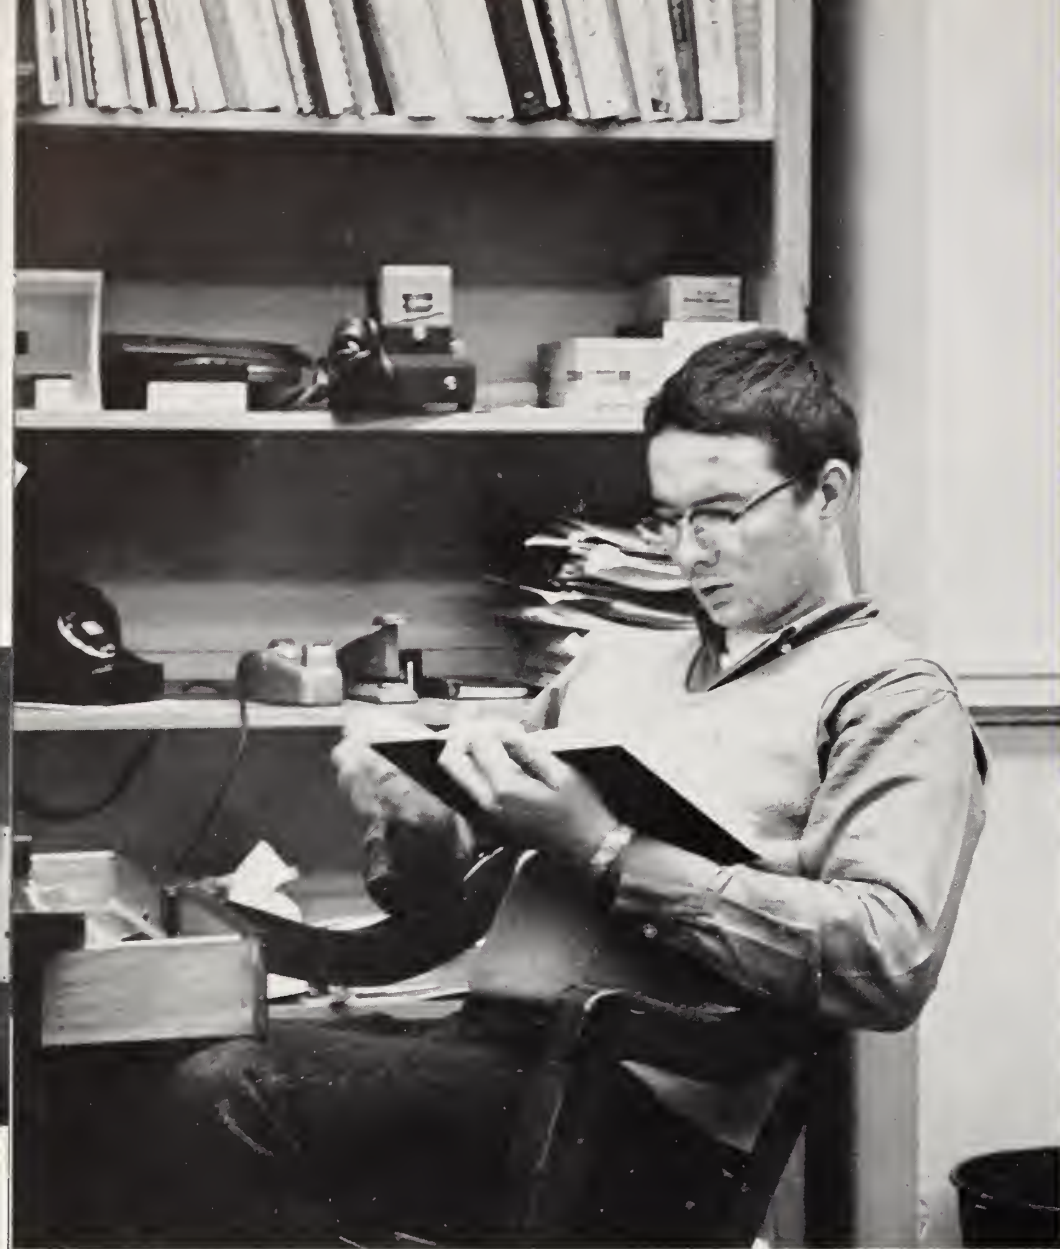

Artist Series entertainers such as the fabulous Limelites were only a part of the regular nocturnal activities. With varied concerts, plays, frosh activities, formals, and parties to keep the undergrad occupied, he sometimes wonders if the Day *will* end.

*the Events of the closing day.*

*This*

And yet, has the Day ended?

Far into the night, activities will  
continue to function until a new  
Day will break . . . presenting  
Northwestern State College.

*is Northwestern!*

## *IN TRIBUTE TO*

### **MR. JOHN SMITH**

For nearly a decade, the Northwestern State College bus has been guided over many thousands of miles of highway by a short, middle-aged man. He is known by—or has come into contact with—virtually every student on campus who goes anywhere on the familiar Demon Bus. He possesses an attitude that is terse and to the point, and he is not afraid to tell you what he thinks. Yet, he is well-liked by all who approach him. He is known to have more school spirit than most students. Whether there is one or one thousand Demon supporters backing our teams, he is there to cheer them on. In many cases in past years—when the cheerleaders were unable to accompany the teams on trips—it was not an uncommon sight to see him leading the spectators in cheers. Often, his appearance *with* the cheerleaders seemed to put added life into the Demon supporters. Whether the group be athletic, debate, chorus, or just Northwestern students, he always possesses that seemingly serious but jocular spirit while he escorts them.

For very obvious reasons, we of the 1962 POTPOURRI staff dedicate this annual to Mr. John Smith.

## ***A MESSAGE FROM PRESIDENT KYSER***

Over the years, the POTPOURRI has recorded the activities and spirit of our college. It reveals many of our basic common interests and purposes. It can always help to show us a pattern of emphasis, and provide opportunity for reflection.

Never have the opportunities for growth and enrichment of individuals in colleges been so great. The very abundance of subject matter wares displayed in curricula, however, demands the exercise of caution, evaluation, and selection. In a world where the individual's time contracts with the expansion of opportunity, knowledge and wisdom acquire a new priority.

Despite all of the changes in environment, the human spirit must be nourished as of old. For most of humanity, there is no substitute for family and friends, for vital interests and imagination, for knowledge and values that promote the growth of insight and compassion.

The ennoblement of men and women in all ages demands the identification and pursuit of values beyond compromise. Working together, first as men and women of good will, and next as collegians, may we at Northwestern State College help one another to experience the growth that has been meaningful throughout the ages.

## ***THE LADY OF THE BRACELET***

### *Miss Pat Cooper*

Pat Cooper, a freshman Chemistry major from Shreveport, was named this year's "Lady of the Bracelet" after winning out over an original number of fifty-seven girls. In the annual "Lady of the Bracelet" Pageant, held December 15 in the Fine Arts Auditorium, thirty semi-finalists vied for the title.

The girls nominated by all dormitories on campus appeared in a preliminary judging to determine the thirty semifinalists. Mr. Curtis Guilett, Mr. Joe Uhrbach and Mr. Norm Fletcher, all of Natchitoches, served as preliminary judges.

The 1962 POTPOURRI, sponsor of the "Lady of the Bracelet" Pageant, chose three out-of-town judges for the final event. They were: Mr. John L. McConnell, a realtor in Alexandria; Miss Patsy Griffin, a member of the Centenary College English faculty in Shreveport; and Mr. Cy Spicer, a member of the news staff of KTAL-TV in Shreveport. Miss Cooper and the seven runners-up, as picked, are pictured on the following pages.

## ***THE STUDENT COUNCIL***

All executive powers of the Student Body Association are vested in the Student Council. The Council is a representative body, each of its members having been elected by the students.

The primary duties of the Student Council are to provide for the general welfare of the Student Body, to legislate on matters necessary for the supervision and coordination of student activities, and to serve as a link between the administration and the Student Body.

The Student Council has undertaken a number of projects for the benefit of the students this year. These projects were successful because of the hard work of the council members and the support of the student body as a whole.

Secretary Leah Storey exercises her hand.

The Staff Assistants Program helps the House Directors in the women's residence halls. These girls serve as receptionists in the residence hall offices and also help the students in the building to observe residence hall regulations. Staff assistants must have a high scholastic average and be at least of sophomore standing. Selection for this position is made by the Dean of Women and her staff on the basis of efficiency, dependability, and co-operativeness. The sponsor of the staff assistants is Mrs. Irble Shaddock.

The Sophomore Counselor Program is designed to help freshman women become adjusted to college life, college and residence hall regulations, and to help them attain a high academic standing. Sophomore Counselors are selected to this honorary position on the basis of scholarship, leadership, personality, and character.

The monitors in the men's dormitories function in much the same way as the sophomore counselors. Applications are filed in the office of the Assistant Dean of Men, and each applicant is interviewed by Mr. Townsend, the Director of Men's Housing. Each monitor must have at least a "C" average; however a "B" average is preferred. The house directors in the dormitories then approve the applicant's personality, leadership, and character.

The Purple Jacket Club, which was founded by President V. L. Roy in 1927, was the first honor club to be organized on the campus. Adorned in purple and white colors depicting loyalty, the Purple Jackets have portrayed service as they have served willingly and tirelessly as the hostesses of the college, making themselves an ageless tradition.

The membership of the club is limited to twenty-one active members. Each spring at the Purple Jacket calling, women students are chosen as new members who have demonstrated good scholarship, good character, and a spirit of cooperation and unselfishness in serving the college.

The honor of becoming a member of the Purple Jackets is one of the greatest accorded to a woman student of NSC.

## ***BLUE KEY***

The Northwestern chapter of the Blue Key National Honor Fraternity began its third year in a flurry of activity, which included sponsoring the annual Cheerleader Clinic during June and July, aiding with Fall Registration, and decorating for Mom and Dad Day and Homecoming. The major activity for the fraternity in the Fall Semester involved playing host to other Blue Key chapters throughout the state in a conclave held in December. In the Spring Semester, the Blue Keys were concerned with sponsoring weekend campus movies when not serving as college hosts for various campus activities.

The N. S. C. chapter had its beginning in 1959 as a local organization known as the Blue Feather. Members of the administration, realizing the need for a men's service unit, gathered a group of junior and senior students who met Blue Key requirements, and formed the local service fraternity. The group ultimately petitioned the national organization and were initiated in the spring of 1959. There are presently fifteen students in the Northwestern chapter. Although several faculty members are Blue Keys, those members of the faculty in the local chapter are President Kyser, Dean Fulton, Mr. Leonard Nichols, Mr. Hal Townsend, and Major Thomas Gleason.

Members of the Blue Key at Northwestern State College must be at least juniors at the time of initiation. They must possess an over-all 1.5 (on the three-point system) academic average, as well as meet certain standards in extracurricular activities. Finally, they must gain a majority vote of chapter members. These standards were set by the local chapter, and men meeting them are "tapped" into Blue Key in the spring in a special assembly held in conjunction with the Purple Jackets.

Miss Linda Corley, a senior English major from Natchitoches, was selected as the Blue Key Darling for 1962. Linda is the second girl to be designated this honor by the local Blue Keys.

Blue Key is the largest general honor fraternity for upperclassmen in America. The chapter here at Northwestern stands "on call" at all times for various events of a service nature.

## THE 1962

The 1962 POTPOURRI is presented to you, the Student Body, by the POTPOURRI staff. We have strived to portray you, the NSC student, as you study and play, work and dream.

The POTPOURRI is the yearbook of the student body of NSC, entirely financed by them. Thus, each one of you should be interested in learning or at least investigating the process of yearbook production. Shreveport Engraving Company prepares our photographic copy, and Benson Printing Company of Nashville, Tennessee, does the art work, layouts, and publishing. Three students—the editor, Lee Thiel; associate editor, Gloria Crane; and Tom Nash, the Business Manager—receive working scholarships.

The section editors who volunteered much time and energy to the presentation of this book are Mary Lynn Cloutier, Norma White, Pat Litton, Freda Cadow, Bobby Cortinez, Frank Conner, Bill Ritchie, Pat Malstrom, Cecil Chopin, Sharon Pouncey, and Esther Broussard. They and their co-workers deserve the appreciation of the entire student body for their help in preparing this book.

The POTPOURRI sponsors several awards throughout the year: the beauty court reigned over by the "Lady of the Bracelet"; the POTPOURRI COURT; dedication of the book to a person who has displayed loyalty and interest "beyond the call of duty" to NSC, and outstanding staff awards to members of the POTPOURRI staff.

## ***THE CURRENT***

The keynote of the 1961-62 NSC *Current Sauce* editorial policy was complete, accurate, and impartial coverage of all campus activities. An increased student interest was expressed through numerous letters to the editor.

Changes were made each semester in the editorial staff. Serving during the summer were La Nae Rowell, editor; Glynn Peninger, associate editor; Mrs. Melba Williamson, business manager, and Bill Long, sports editor. Earl Bonds took over as business manager in the fall when Mrs. Williamson left NSC to be with her husband. A society editor, Mary Ann Bankston, was added for the fall semester. Wayne Summers was sports editor for the spring semester following Long's graduation. Roy Clark, news bureau director, was faculty advisor.

One of the highlights of the fall semester was the Associated Collegiate Press Conference at Hotel Fontainebleau in Miami Beach, Florida. Attending the three-day conference

## ***THE DEMONETTES***

The Demonettes, predominated by freshmen, have delighted the 1961-1962 home people and football fans with their outstanding showmanship during half-time periods and various parade exhibitions.

The 1961-62 Demonettes have experienced a very happy and successful year as a talented group on the NSC campus.

All of their performances have been based on complete group participation rather than that of the individual or individuals who may have been featured.

The originality within the group has been outstandingly obvious in that it never repeated a routine during the entire football season.

Football fans were thrilled with the fine field performances presented by the Demonettes.

The spirit and enthusiasm of these Demonettes will not soon be forgotten.

Majorettes: Donna Faye Ritchie, Patricia Matthews, Betty Neely.

## THE CHEERLEADERS

This year has been a full and exciting one for the NSC Cheerleaders. It began with an all-out campaign to create and boost school spirit, and this was very rewarding. Through the cooperation of the administration and school body, we were able to hold numerous pep rallies and events which proved most successful. We hope that this renewed spirit will not die down; but increase even greater in the coming years.

With the aid of the ever-popular, ferocious Demon-Head, built by the Industrial Arts Department, the squad yelled and cheered at all home games. This year, too, we traveled to Shreveport, Lafayette, and Hammond, Louisiana, and Little Rock, Arkansas; along with a band of faithful, spirited students. We also served during basketball season, at all home games.

Chris Newsome, from Leesville, and Clifford Lambert, from Hot Springs, Arkansas, were elected as freshmen cheerleaders. Returning for their second consecutive year are Patsy Lowderback and Ruth Richardson, both of Shreveport. Two new male cheerleaders are Giles Gilliam, from Shreveport, and Sam Dauzat, from Alexandria. Herby Roach, Shreveport, served as Demon Mascot and Ruth Richardson served her second year as Head Cheerleader.

We would like to express our appreciation to Dr. Colleen Nelken, our sponsor, for her loyalty and assistance during the season.

## N. S. C. CHORALE

The Northwestern State College Chorale, under the direction of Dr. Abel John Peterson, provides activities valuable to music majors and other interested students.

This versatile group offers a variety of choral music planned to fit the interest of any audience, providing an increased understanding and appreciation of music.

The Chorale performs locally in its annual Christmas and Spring concerts and special college events. However, due to another engagement, the group did not present its annual Christmas concert.

The Chorale was formed in the fall of 1958 under the supervision and direction of Dr. Peterson. This small group, about sixty in number, is capable of rendering any type song from popular to the classics.

The organization's varied activities are planned and correlated through the cooperation and direction of the director and executive committee. The students work with a sub-committee composed of other chorale members, maintaining a closely knit, mobile group of artisans. This creates a sense of oneness in every endeavor, whether it be functional or artistic in nature.

The various concert series presented on the campus bring music to the student body and the community and certainly make a valuable contribution to the cultural life of NSC.

# DEMONAIRES

The Northwestern State College Dance Band has been long-lived, dating back before World War II when the band was known as the "Swing Kings." During the war the women took over the dance band calling themselves "Swing Queens." After peace was restored, the name was changed to "Demonaires"; hence the dance band is solidly planted in NSC history.

In their eighteenth year as the official college band for dances, this group continues to serve the students of Northwestern as a hard working, dependable music organization. Performing at short dances, pep rallies, and school sponsored balls, the Demonaires earned the praise of the student body.

All this speaks well for a group of non-professional musicians (only a part of the group consists of music majors) who play mostly for "kicks." In keeping with the times, the Demonaires "book" contains a mixture of rock n' roll, latin, jazz, and ballads.

This year's group of Demonaires began the season at the Howdy Dance, September 13, in the Men's Gym. The group this year is under the direction of Allen Roy Swilley, a senior music major from Winnfield, Louisiana.

Although the majority of the Demonaire engagements are on campus, there is a possibility of off-campus playing. These engagements are accepted with approval of Mr. Dwight Davis, the band director and sponsor of the group, and Frances Ellen Porter, the Dean of Women.

Competitive tryouts for the group are open to any member of the NSC Band. Members are as follows: Ben Ash, Bill Osborne, and Mike Fullerton, trumpets; Earl Williams, Robert Crain, and James Ayers, trombones; Allen Swilley, Johnny Gholson, Ralph Mosely, Tony Cooper, and Freddie Barkley, Saxophones; George Gilcrease, piano; James Sprayberry, bass; and Thomas Brandon, drums.

Band Directors Dwight Davis and Kenneth Greene.

The 1961-62 year presented the "new look" in the Demon Marching Band. This year under the direction of Mr. Dwight G. Davis and Mr. Kenneth Greene, as graduate assistant, a series of straight precision drill half-time shows thrilled fans.

The band presented these outstanding shows at all home games and at the half-time period at the annual NSC-Louisiana Tech game and the Southeastern game in Hammond.

This year also initiated a new scholarship and award program.

During the concert session, the band turned to heavy classical numbers, mixed with light novelty pieces.

As a good-will gesture the band traveled to various high schools throughout the state presenting programs to give these high school students an idea of the band program at

NSC and encourage them to join us when they arrive at Northwestern State College.

Following shortly after the tour, the Formal Band concert was presented in the Fine Arts Auditorium. At this performance most of this year's repertoire was presented. Bringing our concert season to a close were the pop concerts open to the college free of charge.

As the closing highlight of the year, our annual Band Banquet was a success. At this social function special entertainment, good food, presentation of awards and the announcing of the Band Queen is the order of the day.

All in all we have really enjoyed ourselves and are looking forward to another great year.

The NSC Debate Club, which was fanned into existence in 1957, is open to all students on the campus who express an interest in the activities of the organization. Under the capable direction of Mr. Donald Graham, the club provides organized participation in competitive speech activities on an inter-collegiate basis.

The 1961-62 debate season opened with a discussion tournament at L.S.U. in September. Following this "warm-up" tournament the squad journeyed to Louisiana Tech at Ruston; the University of Southwestern Louisiana; Millsaps College in Clinton, Mississippi, and Mississippi State College for Women in Columbus, Mississippi.

Also scheduled for the spring were two home tournaments. These are the annual high-school and college competitive meets.

During the five years of its existence the organization, through its exemplary accomplishments in the numerous fields of competitive and public speaking, has really brought credit to our campus.

The officers for this year are as follows: president—Dennis Folds, junior Speech major from Lawtell; secretary-treasurer—Gail Pierson, a senior from Natchitoches, majoring in Economics; and reporter—Earlin Doiron—a sophomore from Alexandria majoring in English. The squad's business manager this year was Sam W. Shelton, III, a freshman Mathematics major from Natchitoches.

# DRAMATICS

You're right—they ARE made in Japan!

Scene from "House on the Cliff."

Working on sound effects for a production.

The first major drama production for the 1961-1962 season was *House on the Cliff*, a three-act mystery written for television and adapted for the stage by George Batson. Offering an excellent portrayal of the play were: Dennis Folds as Dr. Main; Carol Anne Mosley as Ellen Clayton; Dianne Mayeaux playing Karen Clayton; Frances Councilll portraying Jenny; Gloria Damico acting as Miss Pepper; and Milton Tarver playing Carey Phillips.

The NSC Theatre's next production was *Everyman*, a morality play. This play is one of the oldest known religious plays. The version used was translated from early German into rhyme couplets by Frank Magers, the college theatre technical director. Mr. Magers directed the production and Dr. Edna West, the director of the college theatre, staged the show.

Playing the role of Everyman was Mack Thomas. Other members of the cast are as follows: Butch Toland as the Messenger; Milton Tarver as the Voice of Christ; Bobby Guin as Death; Ann Johnson as Betrothed; Mary Hicks portraying Mother; Roy Kirkpatrick as Satan; and Wayne Summers in the role of Fellowship.

Also in the cast were John Culpepper, Cappy Calhoun, Jimmy Willis, Carolyn Friis, Gloria Damico, Jim Mambourg, and Ruth Ann Fisher.

These two plays indicate that NSC Theatre fans have a lot to look forward to during the remaining season, as the dramatics department unfolds its hidden talents.

Alpha Gamma Delta was founded in 1904 at Syracuse University as a national women's fraternity. With the installation of the first Canadian chapter at the University of Toronto in 1919, Alpha Gamma Delta became international.

Gamma Kappa Chapter is in its third year on the campus at Northwestern. It formerly was a chapter of Theta Sigma Upsilon which merged with Alpha Gamma Delta in 1959.

Throughout the year, Alpha Gamma Deltas are kept busy with projects and activities. Their workshop is in the summer, and the beginning of school brings rush. At Homecoming is an alumnae reception and in December a Christmas party. In the Spring there is the formal.

The International Altruistic Program is worthy of pride; members work for the Cerebral Palsied and Physically Handicapped. The Counselor Training Program and local service work began in 1947.

The Heritage of Alpha Gamma Delta has been built through the development of young women through fraternity bonds and ideals.

**Chapter Name: Psi Psi**

**Founding at NSC: 1930**

On November 15, 1901, five college girls at Longwood College in Farmville, Virginia, formed a national sorority which they named Alpha Sigma Alpha. Psi Psi Chapter, one of forty chapters located at colleges throughout the United States, had its beginning at Northwestern State College in 1930.

The aim of Alpha Sigma Alpha is to establish a sisterhood that shall have as its fourfold objective: the physical, intellectual, social and spiritual development of its members.

All through the year, Alpha Sigma Alpha participates in many activities and projects. During the summer a camp party and workshop are held to prepare for rush. Informal and formal rush parties are climaxed by Bid Sunday activities. At Homecoming an Alumnae Reception is given, and this is followed by our Christmas party in December. The Spring activities begin with fraternity parties. Activities continue with the Spring formal, Mother-Father-Daughter Banquet and Faculty Tea.

The members of ASA strive always to maintain the traditions and standards of Alpha Sigma Alpha, while they are reminded always of their motto—Aspire. Seek. Attain.

**Chapter Name: Epsilon Beta**

**Founding at NSC: 1956**

**Colors: Old Rose and Vieux Green**

Delta Zeta fosters friendships that carry through life . . . develops unselfish interest in others as well as each other . . . helps build the individual stature of a girl so that she confidently takes her rightful place in life whether as a student, a participant in the business world, or a homemaker and parent.

The chain of Delta Zeta friendship is being widened each year through its National Philanthropic Program known as "Adventures in Friendship." Delta Zeta's program in Louisiana "adopts" the blind patients at Carville Hospital, who are victims of Hansen's disease.

Delta Zeta's activities for the year 1961-62 include the giving of Christmas gifts to needy children, Province Day, at which all the chapters of the state are represented, the spring formal, and the sponsoring of the Easter Basket Contest in which the sororities and fraternities compete. The baskets are taken to an orphanage in Alexandria.

The continued growth and development within Epsilon Beta chapter is credited to its wonderful sisterhood and its ever-increasing list of achievements.

Chapter Name: Delta Mu

Founding at NSC: 1959

Colors: Maroon and Lavender

Flower: Violet

Sigma Kappa Sorority entered the Greek world on November 9, 1874 at Colby College in Waterville, Maine. Before being installed into Sigma Kappa, the chapter was Alpha Delta Chapter of Pi Kappa Sigma.

Philanthropy projects of Sigma Kappa are the Maine Sea Coast Mission in Maine, the Greek School for Girls in Greece, and a local project at the Natchitoches Nursing Home.

Sigma Kappa are active throughout the year beginning with the summer workshop. The rush parties in the fall are followed by pledge projects, slumber parties. In the Spring, there is the annual Spring Formal at which time we announce our Man-of-the-Year, best pledge, and Miss Sigma Kappa. Following the Spring initiation is our annual Mother-Father-Daughter Banquet. Social functions with the various fraternities make the closing of the school year an enjoyable one.

At this time, Sigma Kappas look back with proud memories of upholding their high standards and ideals and living "One Heart, One Way."

## **SIGMA SIGMA SIGMA**

**Chapter Name: Alpha Zeta**

**Founding at NSC: 1928**

**Colors: Royal Purple and White**

**Flower: Purple violet**

**Jewel: Pearl**

Tri Sigma has been very active in this, its thirty-third year on campus. Tri Sigmas began the year with a most successful rush season and climaxed it with the traditional spring formal. Rummage sales, slumber parties, and summer workshop have brought many unforgettable moments to Tri Sigmas. Sigma sisters have practiced giving, loving, and sharing their abilities, throughout the year, by participating in school functions, making victory posters, and decorating floats. The sisters also contributed to their national service project, the Robbie Page Memorial Fund.

Since its beginning in Farmville, Virginia on April 20, 1898, Tri Sigmas have been dedicated to Academic progress, formation of enduring friendships, high ideals of personal conduct, and service to others. The sorority is a member of the National Panhellenic Conference and embraces forty-nine states and the District of Columbia with a membership of nearly 30,000. All of the sisters in Sigma Sigma Sigma are a warm, friendly, lovable group of girls who believe, "To receive much, one must give much."

## KUKLOS ADELPHI

Founding at NSC: 1959

Colors: Crimson and Gold

Kuklos Adelphi social fraternity was formed primarily to eventually petition for membership in the national organization, Kappa Alpha Order. The men of Kuklos Adelphi picked this one goal to work toward because they earnestly believe in the Southern way of life, the Southern gentlemen and the high ideals of the Kappa Alpha Order. It has always been our greatest wish to bring a Southern fraternity to our campus, located in the heart of the South.

The membership of Kuklos Adelphi has, in its three years of life increased from a mere handful to forty-one men. They are looking forward to even greater growth in membership and scholarship in future years.

The group not only sponsored various social functions but also participated, for the third straight year, in the KA Charity Bowl football game (originated by KA in 1959), and took an active part in the extracurricular life of the college. Members of KA were active and prominent in student government, the military, and in honorary, scholastic, and service fraternities.

## PI KAPPA PHI

Chapter Name: Beta Omicron

Founding at NSC: 1956

Colors: Gold and White

Flower: Red Rose

Pi Kappa Phi fraternity was founded on December 10, 1904, at the College of Charleston, South Carolina. Beta Omicron Chapter of Pi Kappa Phi has been on the campus of Northwestern since September 21, 1956. Previous to that date it was Phi Kappa Nu, a local fraternity.

Pi Kappa Phi's participated in the Christmas Festival, collected for the Heart Fund, and was active in other activities throughout the year. The social highlight in the fall was the Rose Ball while in the spring the annual Spring Bar-B-Que was the main attraction. At the Rose Ball the new Pi Kappa Phi "Rose" was announced and the Outstanding Senior and Pledge awards were made.

This is Pi Kappa Phi's third year in their house. Living together has helped them come closer to the true meaning of a fraternal brotherhood.

Members of Pi Kappa Phi who are active in Student Government include Roland McKneely—Student Body President, Roy Bostick—Senior Class President, and Jerry Willis—IFC President.

## SIGMA TAU GAMMA

Chapter Name: Nu

Founding at NSC: 1929

Colors: Blue and White

Flower: White Rose

This year begins Nu chapter's thirty-second year as a national fraternity. Sigma Tau Gamma was formerly Sigma Delta Tau on the NSC campus.

The highlight of the year was Tau's annual White Rose Ball. At this time the "Rose" of the fraternity was presented along with the "Pledge of the Year." Other major events were the Founders' Day Banquet and the Sorority Ball sponsored by Sigma Tau Gamma.

Several annual projects of the Tau's have been their booth at the Christmas Festival and collecting for the American Cancer Society for which they received a certificate of merit.

Always stressing social and academic development, the evidence of accomplishment can be seen in almost every phase of activity on campus.

With a sponsor such as Joseph Johnson and a pledge class such as this year has produced, the future certainly looks bright and prosperous for Sigma Tau Gamma.

It's been another one of those fine years for all the Brothers in the Bond, but there has been a lot of hard work along with it. The beginning of the school year saw the E-U Tekes already at work on rush activities, mingled with a barbecue and a dance or two. At the home football games, they exhibited their presence with the ringing of the traditional TKE Victory Bell. At the University of Arkansas game, the NSC Tekes met with the TKE Colony at U. of A. and made it not such a bad game after all . . . And then there were the annual events: the Red Carnation Ball, the Spring Barbecue, and—of course—the Barfly. This year the Tekes also played Kuklos Adelphi in the Charity Bowl, an annual event for the fraternities in the field of football. As if this wasn't enough, TKE still had time to work with Alpha Sig on a Homecoming Float, and win 2nd place again for the second straight year. Whew!

## DEMONS POST 7-3 SEASON

JACK CLAYTON  
Head Coach

The Demons of Northwestern State College completed a successful 1961 season with a record of seven wins and three losses. Although losing three of the last four ball games, the ball team had to settle for a tie for third place with Louisiana Tech. At the beginning of the season, a coaches' poll picked N. S. C. to place last in the Gulf States Conference.

Managers and Trainers: David "Doc" Evans, Gordon Reynolds, Don McCardle, and Bill Menard.

redge, Thomas Mitchell, Tommy Wyatt, G. W. Zachary, Dickie Rogers. THIRD Row: Glenn Talbert, Roy Gentry, Johnny Norman, Jerry Guidry, Peter Verett, Jerry Fowler, Herby Smith, Jerry Burton, Donnie Kelly, Gerald Yarbrough, Kenny Thompson, Jackie

Smith. FOURTH Row: Kenneth Hood, Steve Murphy, Grover Colvin, Donald Beasley, Ferrell Yarbrough, Charles Ragus, Wayne Earp, Melvin Cox, Ronnie Burgess, Al Moreau, Vic Stelly, Calvin Hinton.

The 1960 team had a 3-6 record and during the entire year, scored only 82 points. But this year's team record was completely different. The Demons stacked up 249 points to 156 for their opponents.

The Demons started the season with a six-game winning streak, which started and ended in Shreveport. First, we defeated Stephen F. Austin in State Fair Stadium in Shreveport. At home we packed away Mexico Polytechnic Institute, Northeast, and the University of Corpus Christi. Then there was the short gallop to Pineville for a win over Louisiana College. The last of the winning streak came in Shreveport against N. S. C.'s arch-rival, Louisiana Tech.

After Louisiana Tech, we traveled to Little Rock, Arkansas, and War Memorial Stadium, to play before 43,500 fans. This was the poorest game of the season for the Demons, but the loss to the Razorbacks was not a shameful one (later in the year, Arkansas was invited to play in the Sugar Bowl). Other losses were to McNeese State and Southeastern. When the Demons went to Hammond to play Southeastern, we were shot out of the scoring column for the first time during the season. The Lions, who ranked fourth in the nation, were just too much for us.

Eight seniors completed their playing careers at the end of this season. They are quarterback Dickie Rogers, half-

backs Jimmy Aldredge and Troy Burch, fullback J. M. Maricelli, guard Bob Martin, and tackles Ferrell Yarbrough, Octave Bernard, and Wayne Earp.

The Gulf States Conference coaches picked Head Coach Jack Clayton as "Coach Of the Year". Also, Kenny Thompson, who was the second highest scorer in the Conference, made the starting lineup on the All-Conference Team.

## N.S.C. CRUSHES STEPHEN F. AUSTIN 35-19

The Demons went to Shreveport to start the season off in a game that sports' writers termed a "toss-up", but Head Coach Jack Clayton had plenty of halfbacks up his sleeve to whom no one in the G.S.C. had given any thought. First, he used a transfer from Georgia Tech, Kenny "Stump" Thompson. "Stump" took the first touchdown over after Glen Talbert and J. M. Maricelli set it up; Nick Norcia's conversion was good. From that touchdown on, N.S.C. was off to the races. At half-time the Demons were ahead 20 to 7. The scoring for the night went to five men, Kenny Thompson with 18, Glen Talbert and Donald Beasley with 6 each, Johnny Norman with 2, and Nick Norcia with 3.

## DEMONIOS DERROTAN AL INSTITUTO POLITÉCNICO DE MEJICO

Before a pleased Mom and Dad's Day crowd of more than 6,000 grid fans the Demons had little trouble walloping a smaller but ever-trying Mexico Polytechnic Institute eleven by a score of 55 to 8.

It was simply a better big team trouncing a smaller foreign squad as Coach Clayton cleared his bench and gave everyone a chance to play. At half time the Demons led 28-0.

With just three and a half minutes gone in the first half, Kenny Thompson drove over from the four for the first touchdown to climax a 41 yard drive.

The most exciting run for the night came from Jackie Smith. Jackie intercepted a pass from quarterback Ernesto Riviera and zig-zagged his way back 30 yards for a touchdown.

Touchdowns were scored by Kenny Thompson, Nick Norcia, Jerry Burton, Dickie Rogers, Gary Moore, Glen Talbert, Jackie Smith, and Steve Murphy.

## WILDCATS TAKE FIRST DEFEAT FROM DEMONS. 7-6

With both N.S.C. and Louisiana College undefeated, the Demons traveled to Alexandria and handed the Wildcats their first defeat.

The first touchdown of the game came in the first quarter with a one-yard play by Glen Talbert. Nick Norcia made the point-after-touchdown good; this point was the deciding factor at the end of the game. The Wildcats made their touchdown in the fourth quarter, then preferred to go for the two-point conversion, but failed. The Demons twice found the Wildcats within their own ten-yard line, but each time they dug in, keeping the Cats from scoring. Defensive stand-outs were Octave Bernard, Peter Verrett, and Ferrell Yarbrough; Larry Crow did an outstanding job in the back-field.

## INDIANS SCALPED BY NORTHWESTERN. 28 TO 7

In Natchitoches, we met the Northeast Indians in our first conference game. At half time the score board read 13-7 in the Demons' favor. Kenny "Stump" Thompson had one of his best nights, making the first two touchdowns. The Demons played fine defensive ball all night, as shown by their intercepting six of the Indians' passes. When the game was over, NSC had 258 total yards to NLSC's 148. Big J. M. Maricelli got his first touchdown of the year on an eight-yard sprint. Steve Murphy also got in the scoring column with an 18-yard run. Nick Norcia and Troy Burch both got two points for the night.

## DEMONS WIN FIFTH STRAIGHT

At home the Tarpons of Corpus Christi fell as our fifth straight victim. The Demons completely outmanned the Tarpons in a 57-6 conflict.

The Demons scored eight touchdowns by eight different players. Touchdowns came from Stelley, Murphy, Maricelli, Norman, Thompson, Moore, Aldridge, and Williams.

Terrific punt returns were made by "Stump" Thompson and Gary Moore, of 70 and 65 yards respectively.

Utilizing three teams throughout the night, the Demons stopped the Tarpon ground attack cold, keeping them to a minus 45 yards for the night's effort.

N.S.C.'s P.A.T.s were as follows: Norcia 5, Rogers 2, Burch 2.

The game with the University of Corpus Christi turned out to be a good work-out for the mighty Demons as they sharpened their spikes for Louisiana Tech.

## N.S.C. WRECKS TECH, 19 TO 7

The Northwestern State College Demons made Louisiana Tech their sixth victim before 27,000 fans at State Fair Stadium in Shreveport. The saucy win was Northwestern's first over Tech since 1958.

Up until halftime Tech held us down by 7-6. Coach Clayton put his "chips" on freshman quarterback Don Beasley, who completed nine out of seventeen passes for 114 yards and a touchdown to Gary Moore.

J. M. Maricelli got a touchdown midway during the third quarter to put the Demons ahead. From here on it was "all over but the shouting". In the fourth quarter, Dickie Rogers got a touchdown with 29 seconds remaining.

Don Beasley, for a fine night's performance received the "outstanding back" award. Defensive standouts for the night came from Jerry Burton, Jerry Fowler, Bob Martin, Thomas Mitchell, and the "big daddy" of them all, Ferrell "Sneak" Yarbrough.

# Northwest Arkansas Times

## PORKERS GORE DEMONS, 42 TO 7

With an unblemished record, the Clayton Crew went to Little Rock, Arkansas, to play the nationally-ranked Arkansas Razorbacks. The Demons' lone score started when Lonnie Harper fell on a fumble on the Arkansas 18. On the first play, Don Beasley hit halfback Glen Talbert on a four-yard pass play. Beasley then threw to Gary Moore in the end zone with a 14-yard pass, and the Demons had a touchdown. Nick Norcia kicked the extra point.

Kenny Thompson was a bright spot in the game more than once. In one play, he took a punt around the Demon 10, drifted back inside the five yard line, and twisted his way past a mass of Red-jerseyed Hogs on a beautiful 53-yard return to the Arkansas 46-yard line.

Lonnie Harper "bulls" his way down to the three-yard line.

## McNEESE UPSETS N.S.C. HOMECOMING, 28-14

Tasting defeat only once from Arkansas, the Demons thought they were ready to take on McNeese. Before Northwestern could mark the scoreboard, the Cowboys had three touchdowns and a field goal in their favor. This defeat was the only one suffered on the home soil. The big spur in the Demons' side was Nolan Viator, who passed for two Cowboy tallies and ran for another.

Lonnie Harper barely missed a touchdown as he took the ball down to the one-yard line. Steve Murphy did the honors and took it over. Larry Crow also got in the scoring column for the Demons with a 7-yard touchdown.

Jerry Fowler had a good day blocking extra points, recovering fumbles and constantly being a thorn in McNeese's side.

Gary Moore reaches in vain as a McNeese defender bats down the pass.

## U.S.L. STOPPED BY DEMONS. 27 TO 14

The NSC Demons regained their winning form in Lafayette as they defeated the University of Southwestern before their own homecoming crowd. The first score of the game came in the second quarter from Glen Talbert as he went off right tackle for 24 yards. Before USL could move, the Demons had slipped Steve Murphy over for another six points. Then Stelly hit Aldredge with a pass for the two point conversion. While still in the second quarter "Stump" Thompson took a kick off three yards deep in the end zone, cut through the entire Bulldog team, and went 103 yards for a sensational touchdown.

The final Demon score came in the third quarter with a Stelly-to-Aldredge pass that went 37 yards. Outstanding players for the night were: Odom, Verret, Stelly, Smith, Talbert, Maricelli, Thompson, and Aldredge.

## LIONS RUIN DEMONS' CHANCES IN G. S. C.

The final game of the season was played against the Southeastern Lions of Hammond. The Lions took away all our hopes for a share in the G.S.C. crown. Once-beaten Southeastern State College rebounded from their loss to McNeese to defeat the Purple and White 19-0. This was the only game of the season in which the Demons failed to score.

For the Demons, Kenny "Stump" Thompson was the only defensive spark. He ran for substantial gains all afternoon, often dragging SLC defenders behind him.

In the line, Peter Verret and Jerry Fowler played their usual top-quality ball. A tremendous goal line stand was made by Thomas Mitchell, John Odom and Charles Ragus as they held off threats of other SLC touchdowns. Thompson's performance in this game and throughout the season gave him a spot on the All-G.S.C. team.

## ***DEMON BASKETBALLERS HIT HIGH SCORING RECORD***

With the return of three of last year's starters and four lettermen, the 1961-62 Northwestern State College basketball team started out the season with high hopes. Coach Huey Cranford, assisted by Coach Phil Haley, produced a high-quality team with winning ability, but the Demon roundball team found it rough going all the way, often hitting slumps which would cause them to lose several games before winning one. The final tally showed Northwestern winning ten games and losing seventeen—Coach Cranford's first losing season since he began coaching the Demons.

Returning team members were James Hardin from Tioga, Ken Moran from Natchitoches, and Tommy Mathis from Coushatta. All are lettermen who could be depended on for experience. Newcomers included Glenn Collie, from Calvert City, Kentucky, and freshman Emmett Hendricks from Marthaville. Other valuable members of the Demon squad were Bill Stokes, Sam Watts, Walter Ledet, and David Calloway.

OVERALL 10-17; G.S.C. 5-6

The 1961-62 team included stalwarts Truitt Weldon, Gene Wright, and Gayle Hatch in the starting lineup. All three of these men will not be playing next season because of graduation. The "Big Greek", Truitt Weldon, is a four-year letterman who will be missed not only as a great Demon athlete, but also a striking personality. He was the leading scorer on the team, with a total of 389 points for the season. The 6-6 forward-center from Mt. Carmel hit, in 25 games, 45.6 per cent of his field goals and 69 per cent of his free throws. Weldon also led the team in total rebounds. Gene Wright, also a four-year letterman, took second place in total points scored with a season's tally of 313 points. The little guard, a fancy handler of the roundball, got off to a slow start, but ended the season as a spark in practically every game. Gayle "Goose" Hatch, a two-year letterman who transferred from Mississippi State College, was able to play in only seventeen games because of injuries. Yet, he still was third high-point man, averaging 16.5 points per game. The tall center from Baton Rouge holds the season's record for the most points scored in one game: in the Kentucky Wesleyan game, he hit for 44 points. A fourth starter—Pete Clemmons from Brownsville, Kentucky—may also graduate if he completes his required courses this summer. The loss of these team members will surely be felt by the Demons next year.

B A S K E T B A L L - 1 9 6 2

The Demon Basketball team opened its season with a saucy win over high-scoring Mississippi College in Clinton, Mississippi. The final score was 114-109 in an overtime period. Senior member Truitt Weldon stuffed in 30 points, with Gayle Hatch and Gene Wright hitting for 26 and 19 respectively. At halftime, the Choctaws led, but the Demons hit nearly 60 per cent of their shots from the floor. At the final buzzer, the game was stalemated at 102-102. In overtime it was Glenn Collie who pulled N.S.C. through with a final six points.

The Demons' first home game ended in a new school scoring record. This game, in which the Demons defeated the Choctaws 125 to 102, broke the old scoring record of 1950. In that year, N.S.C. beat the Barksdale Air Force Skyraiders 111-46. Gayle Hatch did the scoring honors by sinking 32 points.

After Mississippi College, the Demons packed up their basketball shoes, got aboard the big purple bus, and went to Kentucky for a week. Their first encounter was Murray

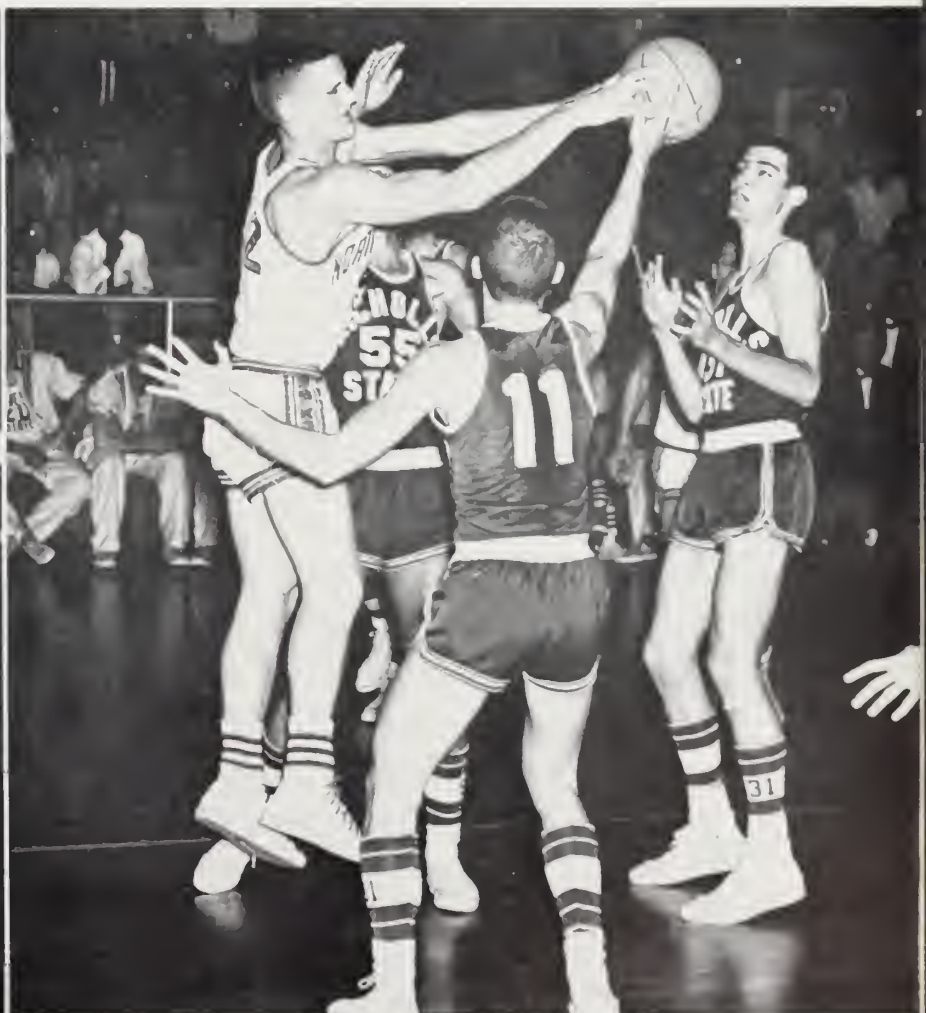

State, where the Demons lost to the Thoroughbreds, 93-75. For the Demons, freshman Emmett Hendricks from Martha-ville led the way with 18 points. A trip to Bowling Green left N.S.C. holding the short end of the score against West-ern Kentucky, 93 to 66. Weldon and Wright hit for 15 and 14 points respectively. High-scoring Kentucky Wesleyan gave the local team another spanking: 106-82. That night, "Goose" Hatch made his highest individual score of 44 points. The fighting Demons suffered their fourth straight defeat at the hands of Eastern Kentucky by a high-scoring game of 102-77. Wright led the Demon scoring with 37 points.

After a week on the road, the Demons won their second home game by a razor-edge margin of 72-71 against Stephen F. Austin. At halftime the Demons had a five-point bulge of 33-33. Pete Clemmons, Truitt Weldon, and Bill Stokes all hit in double figures of 19, 18, and 14 points respectively. This slim victory margin was later avenged by a loss to S.F.A. of 79-71 in Nacogdoches, Texas.

The N.S.C. Demons went to Shreveport for the annual Gulf South Classic, held during the Christmas Holidays. The teams attending the Classic were: host Centenary College, Hamline University, Louisiana Tech, Memphis State, Mississippi Southern, Murray State, South Carolina, and Northwestern. In the first game, the Demons lost to Hamline by a score of 73-66. In the consolation bracket, the Northwestern crew again tasted defeat from Memphis State, 108-83. The Demons, failing to get started in early games, settled for seventh place by defeating arch-rival Louisiana Tech by a slim margin of 65-63.

On the Demon home court, N.S.C. opened its conference season with Southwestern. The Bulldogs gave the Demons their first home-court defeat in two years, by a score of 81-76. Glenn Collie and Gayle Hatch were high-point men for N.S.C., with 22 and 20 points. The Centenary Gentlemen next bounced the Demon crew, 89-79, in an overtime game. Once again, Glenn Collie stretched the nets for 28 points, but it just was not enough to win. Louisiana Tech, 0-3 for the season, received their first win over our quintet, 72-70. With a home court advantage, the Demons beat the Southeastern Lions, 85-74.

The Indians of Northeast Louisiana State College gave N.S.C. a surprise defeat in the home gym by a slim 64-60 score. However, it was this surprise team which won its first G.S.C. crown. Truitt Weldon was high point man with 15 marks. At Monroe, the Indians handed the Demons their second defeat by an 88-81 margin. Wins were exchanged with Louisiana College—88-72 here and 63-61 there. In the game at Natchitoches, three Demons hit in the twenties: Collie with 24, Mathis with 23, and Weldon with 22. Truitt Weldon was high-point man for the Demons with 19 points, but the Cowboys lassoed and pinned Northwestern to a 73-56 conference loss at McNeese. At home, the Demons got revenge on McNeese by defeating the Cowboys, 61-58. Gene Wright scored the most points at 20. The game with M.S.C. was a see-saw affair, with the score being tied nine times.

Northwestern won a 57-56 thriller over Nicholls State College on the Purple-and-White court. Accurate-shooting Truitt Weldon and Glenn Collie's free throw with four seconds remaining composed the margin of victory. This win greatly helped the Demons, who had previously lost to Nicholls, 63-61.

The final home game for the Demon squad resulted in a victory over popular foe Louisiana Tech, 79-75. The home team played one of the most superb games of the season that night. Standing ovations were given Truitt Weldon, Gene Wright, and Pete Clemmons, as they played their final game in the Demon gym.

## *Freshman Team Takes First Place at N. S. C. Relays*

In the capable hands of Coach Walter P. Ledet, a spirited group of Demons started working early in the fall semester. This year's team was comprised mainly of freshman boys.

Only Billy Haynes and Eddie Taylor were lost through

graduation. These two boys also served as co-captains of the 1961 track team.

One of the finest freshman distance men, Paul Simmons, ran 1:51.5 in the 880-yard run. This was just .2 of a second off the old record of 1:54.3, set in 1956 by Charlie Hennigan.

Jerry McGraw, a freshman from Daingerfield, Texas, broke the mile run record by 7.5 seconds. His time was

4:16.1. Jerry is also a good two-miler. He ran 9:54.2, which is just 2.5 of a second away from the school record.

One of the brightest spots in the field events came from Eddie Taylor. Eddie, as a junior, broke the college broad-jump record with a distance of 22 feet, 11 $\frac{3}{4}$  inches. Then as a senior, Eddie, with plenty of desire, broke 23 feet. At the NSC relays he went 23 feet, 4 $\frac{1}{2}$  inches.

The oldest and probably the most coveted record is the 100-dash, which was set in 1932 by Erskine Cook (9.6). Henry McClure, a freshman from Minden, came very close to this record with a 9.8 mark. Only two men in the history of this school have run faster. Henry also has a big job running on both the 440 and 880 relay teams.

This past year was a rebuilding year for the Demons. In the coming years N.S.C. should take over again as the cinder team of the Gulf State Conference.

The 1961 baseball Demons, coached by Alvin "Cracker" Brown, finished the season with a 7-23 record overall and a 2-13 mark in the Gulf State Conference.

During the post-season games Coach Brown's team was plagued with the loss of several top players through injuries and scholastic ineligibilities. All-G.S.C. performers, Bob Welch and Denny Ivy, were among the players lost.

The standout performer on the mound for the Demons

Jerry Nettles, outfielder

O'Brian Smith, catcher

Robert Bates, Demon pitcher.

was "Bullet-Bob" Bates. Bates, although having a 3-5 record, made All-G.S.C. with four of his defeats coming by one-run scores. Other pitchers who performed well were Ronald Roy, and Don Scriben.

The leading batsman for the Demons was Tom "The Bomb" Baker of Natchitoches, with a .367 mark. This fine average earned him a position on the G.S.C. team. Other leading batsmen were Mack "Dago" Knotts, with a .322 average, and Julien Vienne, with a .285 average.

The men who made up the infield were Julien Vienne from Alexandria, Herby Smith from Shreveport, Mack Knotts from Castor, Tom Baker of Natchitoches, and O'Brian Smith from Shreveport. The outfielders were Jerry Nettles and Thomas Mitchell, both from Shreveport; and John Fisher from Detroit, Michigan.

The annual trip to Monroe for the Easter Tournament against some of the top Southwestern and Southeastern Conference teams was called off because of heavy rains.

### ***Ainsworth Receives "Outstanding Gymnast of the Year" Award***

The 1962 men's gymnastic team, under the direction of Coach John Piscopo and Assistant Coach Fredrick Martinez, is looking forward to another great year of competition. Their competition this year will take them to Baton Rouge for the Mardi Gras A.A.U. meet, to Lafayette for the Southwestern A.A.U. meet, to New Orleans for the Southern A.A.U. meet, and home to Natchitoches for the annual Mid-South A.A.U. meet.

The team, headed by co-captains Paul Jemison and Jerry Ainsworth, hopes to regain the winner's crown this year from Mid-South after losing it to the University of Southwestern last year.

High-point men this year should be Jemison, Collier, and Ainsworth. Jemison is always a top contender; he can be depended on for a place on the still rings, the side horse, and his specialty, the parallel bars. The spearhead of the team is Jerry Ainsworth. In 1960, he was the Southern A.A.U. Champion in the parallel bars, high bars, and he was named Best All-Around. In the Mid-South A.A.U., Ainsworth was chosen All-Around Gymnast and also received the coveted award of "Outstanding Gymnast of the Year".

The Demon gymnastic team, besides competing each year, also travels to schools throughout Louisiana to put on exhibition performances. This year's exhibition shows carried them to Bossier High, Bolton High, Woodlawn High, and others. These trips are aimed at creating interest in gymnastics among young students in order to promote better physical fitness in our country. After these High School exhibitions, the team then puts on a show before the N.S.C. students. This year's home show was the finest ever seen.

The girls gymnastic team, which was organized in 1960, is under the direction of Miss Addie Thompson. This year the girl gymnasts are being assisted by Miss Suzuko Seke who is doing graduate work at N.S.C. Miss Seke (Susie) has also taught at the University of Tokyo. In 1956, she competed for her country of Japan in the Olympics. Due to an injury, she was unable to compete in 1960.

This year at the home show, the girls put on an exhibition for the first time. The girls will go into competition at the Mid South A.A.U. in the future.

## '62 Links Team Has Great Expectations

The 1961-62 Golf Team, coached by Earnest "Slim" Howell, has a bright outlook on its season, despite the loss of two team members from the previous season, Tommy Woodward and Russell Ogilvie. Although only the fourth team in a number of years, the present team has expanded to a total of seven linksmen. They are as follows: Tommy Baker of Natchitoches, Jimmy Bowen from Colfax, Joe Martinez from Leesville, Benny Morgan of Springhill, Nick Norcia from Natchitoches, Tommy Talley from Leesville, and Billy Young from Bastrop.

The bright spots in this year's team are Benny Morgan and Tom Baker. Benny is a Senior, four-year letterman, and Tom is a Junior, returning letterman.

1961 TENNIS TEAM—KNEELING: Earl Williams, Ronald Gammill, Jerry Payne, SECOND ROW: Jerry Kircus, Steve Van Praag, John Lokos, Coach Cranford.

## NSC Netters Have Tough Season

Northwestern's racket men found the going pretty tough in the G.S.C., but the six men never stopped trying the whole year. Before going to the conference meet the team won several meets. This year should prove to be an excellent one for NSC, with a couple of players being brought in and put on scholarships. The players on the 1961 team were Ronald Gammill from Texarkana, Texas, John Lokos from Ithaca, N.Y., Jerry Payne of Bossier City, Steve Van Praag of Brooklyn, N.Y., Jerry Kircus and Earl Williams of Shreveport. The tennis team is under the supervision of Coach Huey Cranford.

## ***Cosse Named High-Point Man in '61 Intramurals***

The 1961-62 Intramural program was headed by Bobby Alost and assisted by graduate students Ray Timm and Veston Pourteau.

Teams in contention for high-point trophy are Coonies, TKE, Untouchables, Sigma Tau Gamma, and R.O.T.C.

Last years individual high point trophy went to "Buddy" Cosse. "Buddy" has won the Badminton championship for two straight years.

The winner in the gymnastics All-Around event has been a freshman for the past five years: Wade Miller (1962), Don Scott (1961), Pat Malmstrom (1960), Paul Jemison (1959).

## ***R. O. T. C. AT NORTHWESTERN***

This year the Reserve Officers Training Corps celebrated its eleventh birthday on the Northwestern State College campus. With an enrollment of over 250 members, the Corps stepped off the new year with a "bang." The cadets participated in almost all of the extracurricular activities which contributed greatly toward making ROTC one of the leading organizations on campus.

This year ROTC is the defending intramural team champion. Last year the cadets won the intramural team trophy for accumulating the most points in all of the intramural sports.

The well organized Black Knights, the Corps' fancy drill and precision marching unit, upheld its fine reputation as a "top-notch" drill team in representing NSC in public activities and intercollegiate competition. The drill team participates in the national Cherry Blossom Festival in Washington, D.C., Mardi Gras Festival in New Orleans, and Holiday in Dixie activities in Shreveport. The NSC Homecoming and the Christmas Lights Festival are local events in which the team participates.

A good performance was also turned in by the ROTC Rifle Team. The rifle team won the majority of their matches

against some of the top rifle teams in the nation. Among notable accomplishments last year was a fourth place win in an annual meet at Kingsville, Texas.

Northwestern's military fraternity, The Robert E. Sylvest Company of the Association of the U. S. Army, continued its perennial programming of interesting events to the cadet members. The fraternity meetings were highlighted by informal talks from recently commissioned graduates home on leave from their army duties.

The cadets continued the Corps' tradition of performing the daily flag-raising ceremonies, and also functioned in the annual Veteran's Day taps-flag ceremony. This ceremony honors all American dead of all the nation's wars.

The ROTC sponsors, chosen by the cadets for their beauty and personality, assisted with the construction of the Homecoming float, which won first-place honors for the second consecutive year. The sponsors also help in compiling the Corps scrapbook and they attend all Corps drills and functions with their respective companies.

One of the outstanding social events for the cadets is the Annual Military Ball. Other special events are the annual inspection by Regular Army officers and the annual awards ceremony.

Captain Marion Burns and Major Thomas Gleason, Assistant PMS&T's.

The "Brass" for this year was headed by Cadet Colonel John Mays, Battle Group Commander. Deputy Commander was Cadet Lt. Colonel Donald Fowler, while Cadet Lt. Colonel Anthony Jack LaBoa served as Executive Officer and Commander of the Black Knights. Cadet Majors on the staff were Calvin Reese, Thurman Roberts, Roland McKneely and John Hyams.

Commanding the five companies were Cadet Captains John Fisher (Hq. Co.); Milton Peterson (A Co.); Jerry Winn (B Co.); Dickie Rogers (C Co.); and Larry Crow (D Co.).

The Northwestern State College Reserve Officers Training Corps offers a course of instruction aimed at instilling in cadets leadership qualities necessary for attaining a commission as a second lieutenant in the U. S. Army Reserve. This instruction provides the cadet with a foundation upon which he maintains high academic and leadership standards. After four years of drills and classes and upon completion of college, the cadet is presented with his "Gold Bar."

The Newman Club is an organization of Catholic students of non-Catholic campuses. Its purpose is threefold: to strengthen the religious, to deepen the intellectual, and to enrich the social life of the Catholic college student. The Newman Club at Northwestern State College, in conjunction with the St. Thomas Aquinas Catholic Student Center, accomplishes these three ends with the presentation of a complete program of religious services, various non-credit courses—such as theology, philosophy, apologetics, basic Catholic doctrine, marriage, and others—and many varied social activities. The major function of the Newman Club is to help the Catholic student pursue his studies in a Christian way.
